Create your Sales Profiles here to support Lead Generation for your company. These also include your sales qualification criteria and potential volume and/or revenue thresholds. Your Sales Profile will ensure you receive qualified leads. Sales Profiles will not be shared and are only visible/accessible to people from your own company. Sales Profiles are used by the Zendeq Search Engine to ensure qualified Lead Generation.

Name	Type	Lanes/Country	Profile Manager	Add Sales Profile	
test	Warehousing	Netherlands	Frank Test	Profile is Active	✎ 🗑️
South Asia	Transport	2	Frank Test	Profile is Active	✎ 🗑️

In case you are a Carrier or Forwarder: make sure to create a Sales Profile, listing all your capabilities. If you have NO profile, Brands/shippers will not be able to find you.
